Certifications

IBM Python for data Science AI & Development
Certificate of Accomplishment
R programming for data Science
Certificate of Completion
Cisco Certified Network Associate (CCNA)

Rishabh Singh baghel

AI/ML Engineer | Generative AI | NLP | LLM | Python | Building AI Chatbots & Analytics Systems
Bhopal, Madhya Pradesh, India

Summary

I am a B.Tech CSE (AI & ML) student passionate about building real-world AI solutions using Generative AI, NLP, and Machine Learning.

I have hands-on experience developing LLM-based chatbots, sentiment analysis systems, and AI-driven applications using Python and modern ML frameworks. I enjoy working on end-to-end solutions—from data processing and model building to deployment.

Currently, I am working on a GenAI-powered analytics system that extracts insights from customer data using NLP and LLMs.

I am actively seeking opportunities in AI/ML and Generative AI where I can contribute, learn, and grow while building impactful solutions.

Skills: Python | NLP | Machine Learning | Generative AI | LLMs | Pandas | Scikit-learn | APIs

Experience

navyaco
AI Developer
July 2025 - October 2025 (4 months)

Worked as an AI Developer Intern focusing on NLP-based sentiment analysis. Built data preprocessing pipelines, implemented VADER sentiment classification, and prepared structured outputs for visualization and integration.

Education

LNCT Group of Colleges
Bachelor of Technology - BTech, CSE AI & ML · (October 2022 - November 2026)

Anupama Higher Secondary School
Class XII, Higher Secondary
